LINKED TRAVEL ARRANGEMENTS

If, after selecting and paying for one travel service, you book additional travel services for your trip via our company SAS, you will not benefit from rights applying to packages under Directive (EU) 2015/2302.

Therefore, our company SAS will not be responsible for the proper performance of those additional travel services. In case of problems please contact the relevant service provider.

However, if you book any additional travel services during the same visit to our company's SAS booking website, the travel services will become part of a linked travel arrangement. In that case SAS has, as required by EU law, protection in place to refund your payments to SAS for services not performed because of SAS insolvency, and, where necessary, for your repatriation.

Please note that this does not provide a refund in the event of the insolvency of the relevant service provider.
